Shabbat at the Ohel

A group of Chabad members are planning to travel to NY to spend an entire Shabbat at the Ohel - the resting place of the Lubavitcher Rebbe, Rabbi Menachem Mendel Schneerson, of righteous memory. The trip is planned for Friday, September 20 - Sunday, September 22. This weekend is special considering it is the last weekend of the Jewish year, and Selichot prayers are said after midnight on Saturday night. If you would like further info. or to join the group please contact Rabbi Chaim Steinmetz at: 925-0770 or rabbi@chabadofsarasota.com.

Chabad Cemetery Gardens Expanding and Upgrading

Chabad of Sarasota proudly announces the opening this fall of a brand new section of its cemetery, Chabad Gardens. The Chabad Gardens upgrades will include additional burial spaces, new hedges surrounding the perimeter, a water spout for hand-washing, pavers outlining the walking paths, Live Oak trees and granite benches. In addition to their aesthetic use, the benches will feature an engraved commemoration to provide an opportunity for families to further commemorate their loved ones. The upcoming dedication, which will take place at the start of the New Year, a rare event in Jewish communal life, will feature a unique ceremony open to the public. It's interesting and not widely known that a Jewish cemetery is more than just a plot of land. There is a sanctity to that ground. We sanctify the land by making seven hakafot, circling the new cemetery seven times, just as when we dedicate a new Torah scroll. During these hakafot we recite special prayers together. It's not every day that a Jewish cemetery is dedicated, and we issue an open invitation to anyone in the community who wishes to join us to take part in or witness this special ceremony. While other Jewish cemeteries exist in the region, Chabad Gardens is the only Jewish cemetery in the Sarasota/Manatee area that conforms in every detail with Jewish law and custom. Chabad Gardens offers the services of the Chevra Kadisha, who with the utmost respect, prepares the body for burial. It also features upright grave markers and ample walking paths between graves so visitors can avoid stepping upon the resting places of the deceased. Chabad Gardens is available to any Jew regardless of background or affiliation. The cemetery exists to serve the entire Jewish community at large. Chabad Gardens is located within Robert Toale and Sons Funeral Home at Palms Memorial Park, at Honore and Fruitville Rd. Chabad of Sarasota will announce the date and time of the dedication in the near future. We would like to thank Herman Weber and Harry Zehnwirth who assisted with this project.

First Annual Dr. Schwartzbaum
Geriatric Compassionate Care Symposium

The first annual Geriatric Compassionate Care Symposium held April 7th at Michael's on East as a tribute to Dr. Leonard Schwartzbaum of blessed memory was a resounding success! Partnered with The Glenridge Charitable Foundation, and together with almost 30 sponsors, the event drew close to 200 participants. The featured speakers, Rabbi Aaron Glatt MD, Ira Byock, MD, Jonathan Fleece, Esq. and Allan Grindal, MD did an outstanding job in entertaining their audience as well as keeping them informed of the latest medical and ethical decisions our aging population will face. Michael's On East provided the excellent service and gourmet fare we have come to expect from them. For their generous support appreciation is extended to the Event Presenters: Aviva, Family Practice Associates, and Kennedy White Orthopeadic Center. We are grateful to the following event Sponsors Bay Village, Culp-Henderson, First Physicians Group, Friendship Center for Aging Studies, Heart Specialists of Sarasota, Intercostal Medical Group, Jewish Family and Children Services, Johnson & Johnson, Mastercare Physical Therapy, Neuro Challenge Foundation for Parkinson's, One Touch, Sarasota Point Rehab, Takeda Pharmaceuticals, Digestive Specialists, Senior Healthcare Management, Age-Friendly Sarasota, Living Legacy, and Tidewell. Plans are already underway for next year's symposium which will be held on Sunday, March 29, 2020, at Michael's On East.

Weinstein Jewish Enrichment Program

The Weinstein After School Jewish Enrichment Program enjoyed learning about Passover by "eating" the 10 plagues, playing a human "Seder Land" game, making crafts and enjoying a family special 4D Passover experience which came along with special effects! We are grateful to the following wonderful and dedicated teachers, volunteers, and teen mentors who greatly contribute to the program's success: Arthur Siegel, Flora Oynick, Gerry Nussbaum, Ella Steinmetz, Shaiel Jones, Alisa Belyy, and Evabella Serebro. The program prides itself in being a place where being Jewish is fun, and incorporates Jewish pride, Jewish history, Jewish ethics, prayer familiarity and Hebrew reading. The program resumes September 11, 2019. Anyone seeking to invest in Jewish pride for their child, and would like more information about the program should call Sara at the Chabad office.
